Performance Indicators: 6.3.11, 8.1.2, 10.2.5*

This joint **Becky Dorner & Associates** and **Today's Dietitian** webinar will examine the many physiological roles of the intestinal microbiota, the diagnoses associated with intestinal dysbiosis and how nutrition can optimize this important community.

## Learning Objectives:

After completing this continuing education course, nutrition professionals should be able to:

1. Articulate the many important physiologic functions of the intestinal microbiota
2. Recognize signs and symptoms in individuals at high risk for dysbiosis
3. Prescribe nutritional strategies, including the use of pre- and probiotics aimed at optimizing the intestinal microbial community

## How to Join the Webinar

1. Go to <https://goto.webcasts.com/starthere.jsp?ei=1204827>
2. Log in with the e-mail address you used during registration.
3. Unmute your computer speakers or mobile device if necessary.

## Handouts

A copy of the presentation slideshow will be available to download during the webinar in the live presentation viewer under the "Event Resources" tab.

Call **877-925-CELL (2355)** Monday through Friday from 9 am to 5 pm ET  
or e-mail [ce@gvpub.com](mailto:ce@gvpub.com) with any questions.

## System Requirements

| Operating System   | Internet Browser  | Media Playback                           | Audio   |
|--|---|--|---|
| PC-based attendees:<br>Windows® 10, Windows 8.1+Pro, Windows 7 | Google Chrome 60+,<br>Internet Explorer 11+,<br>Firefox 55+,<br>Safari 10+,<br>Edge Browser | HTML5 streaming enabled browser          | Audio must be streamed through computer speakers or mobile device.  |
| Macintosh®-based attendees:<br>Mac OS® X 10.10+                |   | Apple iOS http streaming enabled browser | We recommend using Firefox or Google Chrome for optimal experience. |
| Mobile attendees: Apple iOS 10+ or Android 4.4+                |   | Android http streaming enabled browser   |   |

**Test Your System & Audio:** <https://goto.webcasts.com/test/>

**Please Note:** If you will be viewing the presentation on a work computer, we recommend that you log in early and test your system to verify that your company firewall allows access to GoToWebcast. You may need to contact your IT service provider to make sure that the website is enabled.

**Credit Claiming:** You must complete a brief evaluation of the program in order to claim your credits and download your certificate. The evaluation will be available immediately following the presentation on [www.CE.TodaysDietitian.com](http://www.CE.TodaysDietitian.com). Evaluations must be submitted within 1 year of the live program in order to obtain credit. You do not need to complete the evaluation on September 20, 2018.

### Credit Claiming Instructions:

1. Log on to <http://www.CE.TodaysDietitian.com/Microbiota> go to “My Courses” and click on the webinar title.
2. Click “Take Course” on the webinar description page.
3. Select “Start/Resume Course” on the webinar description page. If you do not see this button, you may need to select “Start” on the Webinar Evaluation step.
4. Complete and submit the Evaluation.
5. Download and print your certificate.
