Community wellness programs are on the rise, with more consumers looking for healthy living solutions. This webinar, presented by **Felicia Porrazza, MDA, RDN, LDN, CPT, on Thursday, August 1, 2019, from 2–3 PM EDT**, will provide attendees with an overview of how to build successful community partnerships for wellness implementation.

In this webinar, Felicia will discuss the current research on the integration of community wellness initiatives and how to keep participants engaged throughout the process. She will also discuss key characteristics to look for and implement when identifying a potential partner, including alignment with your business's mission, making the first connection with a partner, and specific marketing strategies, tools, and tips for creating a successful wellness program.

# Learning Objectives

- 1. Identify targeted marketing strategies to build partnerships that align with your business goals.
- 2. Integrate community wellness initiatives for partners using key findings from industry research.
- 3. Describe ways to effectively build partnerships with businesses for wellness program implementation, including how to create relevant informational materials and marketing pieces.
