Whether you're in private practice already or are considering it on a part-time basis, this webinar will provide essential tools and insight necessary for success. **Susan Weiner, MS, RDN, CDE, CDN**, will address the tools and techniques required to ensure positive patients outcomes while maintaining financial solvency. Specific topics include the nuts and bolts of creating an appropriate practice environment, managing overhead costs, establishing a strong referral base and pricing strategies. The concept of bolstering one's self confidence will be prevalent throughout. If you are an RDN looking to supplement your income, and interested in "exciting" assignments, this webinar is for you!

Learning Objectives

After completing this continuing education course, nutrition professionals should be able to:

1. Name 3 advantages to owning and operating a successful nutrition private practice.
2. Discuss 3 reasons your private practice may benefit from using EHR (Electronic Health Records).
3. List and describe 3 referral sources for your private practice.
4. Discuss the importance of time management when owning and operating your own private practice.
5. Discuss 3 specific methods to "boost" your worth.
