

## Course Instructions

This continuing professional education program has been approved for professional continuing education hours for registered dietitians and dietetic technicians by the Commission on Dietetic Registration (CDR). Upon receiving this program in the mail:

**Carefully read the contents of this program.** Keep in mind the practical applications it has for you in your individual setting. The focus is to increase your knowledge and application of the subject matter.

**Read the self-assessment questionnaire thoroughly.** For multiple choice questions select the one best answer from the choices given.

**Compare your answers to the answer key provided at the end of this program.** If you have answered 80% or more of the questions correctly and completed the case study, you have successfully completed this course and are eligible to sign and date the certificate included at this end of the program. If you scored less than 80%, re-read the program and re-take the self-assessment questionnaire.

The case study and essay section should be completed and kept as part of your portfolio or professional records. (You do not need to send it to Becky Dorner & Associates, Inc. or **Today's Dietitian** CE Learning Library.) Compare your answers to the answer key provided at the end of this program. Your answers do not have to match exactly. The answer key is meant to provide you with ideas on how you might complete your next nutrition assessment and/or care plan for an individual with a pressure ulcer.

**For Registered Dietitians and Dietetic Technicians Registered:** A certificate of completion is provided for your portfolio; please sign, date and place in your portfolio for your records after successfully completing the self-testing portion of this continuing professional education program. You do not need to submit this form to Becky Dorner & Associates, Inc., **Today's Dietitian** CE Learning Library, or to the Commission on Dietetic Registration (CDR).

**Important for Certified Dietary Managers:** For professional continuing education hours please apply for subsequent approval directly to the Certifying Board of Dietary Managers (CBDM). The subsequent approval form can be found on the Dietary Manager Associations (DMA) website at [http://www.dmaonline.org/CE/CE\\_forms\\_subsequent.shtml](http://www.dmaonline.org/CE/CE_forms_subsequent.shtml).
